

Hello I'm..Marvin Brown.. Living in Waterbury Connecticut.. I'm on the independent living center housing without this program I would have been homeless..The independent living centers have helped me with doctors appointment getting my medical supplies.. Helping me to live a more independent life.. Doing the coronavirus the independent living centers continue to help me even with telehealth doctor's appointments.. Please continue to support the independent living centers they are so important for people like me... Thank You Marvin Brown..
