

Shayna Gelfond

Mitchell College

Hello, my name is Shayna Gelfond and I am from Norwich, CT. I am currently a senior at Mitchell College, and I am studying business administration. At Mitchell College, I participate in the National Honors Society.

Mitchell was the right fit for me because I can learn and understand the classes better because of the student to professor ratios. My experience at Mitchell college has been nothing but extraordinary.

Financial Aid such as the Roberta Willis Scholarship Program has been incredibly important to me because of the financial stress it relieves on me, especially during COVID, financial aid means that I have one less bill I must worry about during tough times.

When I graduate, I intended to take on a part time job in business administration while attending a master's program.

Please continue to fund the Roberta Willis Scholarship Program to ensure that students like myself have the opportunity to enroll in the institution that is the best fit for them in-state.
