

3/8/21

To Whom it May Concern,

I must urge you to - please do not pass legislation that will decrease education funding to our underprivileged CT residents, specifically those in our biggest cities. As educators in Bridgeport Public Schools, we work tirelessly to educate our students within the current budgetary constraints. Any decrease in these funds would negatively impact students who are most in need of positivity. Thank you for your time and consideration.

Respectfully,

A handwritten signature in black ink, appearing to read "D. Henry", with a large, sweeping flourish extending to the right.

Dave J. Henry

Director of Science and the Bridgeport Regional Aquaculture Center
