**Written Testimony, House Bill 6439 (AN ACT CONCERNING THE STATE BUDGET etc.... )**

Dear Committee Members,

My name is Kiera Parrott, and I am the Director of the Darien Library in Darien, CT.

I respectfully request that you do not cut the CT State Library's BorrowIT payments line by \$100,000.

This effort is a vital part of the state library's "Maintenance of Effort" (MOE) for federal funding. This proposed cut would mean the loss of \$97,000 in federal LSTA funding. Such cuts will have a significantly negative effect on all CT libraries throughout our state, including Darien Library.

Respectfully submitted,

Kiera Parrott
