

Supporting School-Based Health Centers
During the COVID-19 Pandemic
May 21, 2020

Looking Ahead to the Future of School-Based Health

Supported by Community Health Clinics

Weitzman Institute and the School-Based Health Alliance have partnered together in this webinar series to provide guidance and information to a national audience and focuses on leadership, experience and other strategies to support a virtual school-based health center model during this pandemic.

Our faculty panel included:

Yvette Highsmith-Francis Vice President, Eastern Region – *CHC, Inc.*

Molly Ticknor, MA, ATR, LPC; Executive Director, *Show-Me School-Based Health Alliance of Missouri*

Nancy Sarra; New Britain Superintendent, *Consolidated School District of New Britain, CT*

Mark Spalding, JD, MEd; Director of Pupil Services, *Consolidated School District of New Britain, CT*

Katy Stinchfield, MS, LPC Licensed School Counselor and Senior Program Manager, *SBHA*

If you attended live, please take our **brief survey** [Closed now 5-29 20]
