

To: Senator Osten, Representative Walker, Senator Miner, Representative France and members of the Appropriations Committee

From: William Degan, retired Connecticut teacher in Bristol, CT

March 25, 2021

**Raised SB1080 Addresses revisions to the Teachers' Retirement System**

Hello,

In your March 26 deliberations regarding SB1080, please consider adding another retired teacher who is also a member of ARTC to the Teachers' Retirement Board. This would better balance the perspective of the people the TRB serves, particularly in the area of health insurance.

Thank you for your consideration.

Sincerely,

William Degan
