### SB1080 revisions to the Teachers' Retirement System.

#### **Sen. Osten:**

As a retired teacher and administrator in Connecticut, I am requesting that you support ARTC's position on adding a member of ARTC, who can add the voice of our retired teacher's community, to the discussions and decision making process of the Ct. TRB. It seems to me to be a very appropriate addition to the TRB since my retirement funds represent my lifeline to financial security and health insurance protections as was promised to me through-out my 38 years as a Connecticut teacher by Connecticut lawmakers like yourself.
