

**Sir/Madam**

**I am a retired Ct teacher who would like to state my opinion to "Raised SB1080 Addresses revisions to the Teacher's Retirement Committee in reference to the March 26, 2021 public meeting".**

**I urge you to give the retired teachers -many of us who dedicated our lives to the children of Connecticut- a fair voice on the board. Please ensure that our representation on the board is at a fair level. Please increase the number of retired teaches by adding an additional retired teacher member.**

**Sincerely,**

**Jerry E. Struzik**
