

Dear Senators, Representative, and Members of the Committee,

I am writing to request that you give serious consideration to the election of an additional retired teacher to the Teachers Retirement Board. Since decisions are being made which, affect retired teachers it seems only proper that retired teachers have adequate representation on the Board. At present, retired teachers are underrepresented on the Board. Of the eleven members of the Board, only two are retired teachers. I believe we should be afforded proper representation. This would be accomplished by the election of an additional retired teacher to the Teachers Retirement Board.
