Session Year 2021
Proposed H.B. No. 5619

[Proposed Bill](#) [\[doc\]](#)

Introducer(s):

REP. CHRISTINE PALM, 36th DIST.

Title: AN ACT CONCERNING THE TEACHING OF CLIMATE CHANGE INSTRUCTION IN PUBLIC SCHOOLS.

Statement of Purpose: To help close the opportunity gap, further environmental justice and protect the environment by educating all children in grades three to twelve, inclusive, about the role humans have played in accelerating climate change, and equipping all students with the tools necessary to be part of a green economy.

Bill History:

01-27-2021 REFERRED TO JOINT COMMITTEE ON Education Committee

Co-sponsor(s):

Rep. John-Michael Parker, 101st Dist. Rep. Lucy Dathan, 142nd Dist.
