HB-5013

AN ACT CONCERNING MANDATED HEALTH INSURANCE
BENEFIT REVIEW.

AMENDMENT

LCO No.: 8973

File Copy No.: 328

House Calendar No.: 244

OFA Fiscal Note

See Fiscal Note Details

The amendment has the potential to decrease or increase the number of reviews conducted annually under the health insurance benefit review program. Regardless of which impact prevails, the amendment does not change the net fiscal impact to the state because any change in contract costs to the Insurance Department resulting from the amendment would be offset by an equal change in revenue from domestic insurers to the Insurance Fund.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
