ON LAKES AND RELATED FUNDING.

AMENDMENT

LCO No.: 7954

File Copy No.: 201

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

The amendment increases the number of participants allowed under a group fishing license, issued by the Department of Energy and Environmental Protection (DEEP), from 50 to 100 people. Currently, DEEP issues a group fishing license to non-profit organizations to hold up to 50 group fishing events per year for certain qualified individuals. This is not anticipated to result in a fiscal impact, since the same number of group licenses are anticipated to be issued.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose.
