OFA Fiscal Note

No Fiscal Impact

The amendment strikes the underlying bill and its associated fiscal impact.

Instead, it requires the Auditors of Public Accounts, in consultation with the Department of Administrative Services, to develop and issue a request for proposals for the conducting of a disparity study. This has no fiscal impact as the Auditors currently have expertise for this purpose.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
