OFA Fiscal Note

Minimal Fiscal Impact

The amendment strikes the underlying bill and its associated fiscal impact.

A municipality may incur minimal costs to take part in the pilot program; however, as the pilot program is voluntary it is assumed that a municipality would participate only to the extent it has available resources.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
