## ***OFA Fiscal Note***

### ***No Fiscal Impact***

The amendment stipulates when a physician is required to provide written notice to a parent or legal guardian of minors under certain circumstances. It provides that minors are allowed to petition a court for a waiver of the notice requirements in proceedings on their own behalf and requires that the court will appoint a guardian for the minor. This is not anticipated to result in a fiscal impact, as the number of cases is not anticipated to result in the hiring of additional staff.
