AMENDMENT

LCO No.: 9489

File Copy No.: 404

House Calendar No.: 538

Senate Calendar No.: 248

OFA Fiscal Note

See Fiscal Note Details

The amendment redefines covered projects in the underlying bill to specify that only those that receive state funds must comply with the bill's requirements. To the extent that this excludes certain municipal-funded projects that would have otherwise had to comply with the bill's requirements in the absence of a project labor agreement, there is a corresponding savings to municipalities resulting from the amendment.
