LCO No.: 9257

File Copy No.: 371

House Calendar No.: 544

OFA Fiscal Note

No Fiscal Impact

There is no fiscal impact resulting from the amendment, which prohibits the Comptroller from providing long term care insurance products to state employees. This does not result in a savings to the State as the Comptroller does not share any cost of premium for long term care insurance.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
