Subject: "**NO** to Bills #" 6611, 6612, 6613, 1024, 1026, 1027, 6107

My name is Bob Brisard. I am a lifelong resident of CT. and a resident of Ashford, CT. since 2014.

Please register my objection to the above listed bills. These proposed bills all seek to remove local control from towns and would impose unplanned costs upon those towns without demonstrating any demand for the specified changes, especially in the most rural areas.

Again, **NO** to all above.

Thank you for your time.

Bob Brisard
