ATTENTION: PLANNING & DEVELOPMENT COMMITTEE PUBLIC HEARING

RE: S.B. 1024, An Act Concerning Zoning Authority, Certain Design Guidelines, Qualifications of Certain Land Use Officials and Certain Sewage Disposal Systems.

To Whom It May Concern:

I live at 45 Tudor Lane, Trumbull. This is in response to the above-mentioned hearing. I am protesting Trumbull government's abdication of its responsibilities to its residents by ceding control of Trumbull's DECISION and Trumbull lives to CT, State or any other group outside of Trumbull's own. Trumbull residents pay taxes for Trumbull gov't to work in the best interests of Trumbull Residents and not special interest groups outside Trumbull. **We vehemently object to eliminating Trumbull's control over all matters dealing with Trumbull's future, such as in the subject bill dealing with Trumbull's development and types** of housing, their location, accessory, 2+units, and

allow certain development to occur without the control of Trumbull residents interests. This will detrimentally impact Trumbull's traffic flow and parking demands, also drive up residency at a rate which outpaces the capacities of Trumbull resources/services such as police, fire and schools. It will also require access to public transportation (that is not available). We opposed the subject bill, and accuse Trumbull gov't of failure of it's sworn duties before Trumbull residents.
