

Dear Planning & Development Committee,

Please see attached for my written testimony in favor of SB 1024.

Thank you so much for considering it.

Mary-Megan Marshall

Norwalk

I work in human services and it is always a struggle to help people find housing. So often, my clients want to live somewhere safe with quality schools for their kids. Unfortunately, these areas are out of their reach due to finances. Please pass this bill so families can thrive in safety.

Thank you,

Mary-Megan
