

Good morning:

I would like to submit testimony for the March 15, 2021 public hearing on the above proposed bill.

I am ***against*** the bill and any future bill that will take a welcomed responsibility of our municipalities, away from them and put them into the hands of our state government which has enormous challenges (that its failing in) in taking care of its regular obligations to its constituents already.

Thank you for the opportunity to voice my opinion.

Respectfully,

Ernest H. Pitti
