Re: HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027

Dear Sir or Madam,

I am writing to express my opposition to the above-captioned bills.

The need for more diverse housing in Connecticut must be addressed; however, the unique needs and geography of each community (including cities, suburbs, and rural areas) must be considered.

Sincerely,
Guy Prochilo
Resident of New Canaan, CT
