

I am writing to express my opposition to the following Bill numbers: *HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027*. These bills would effectively take control of local zoning laws and put them in the hands of those up in Hartford that do not live in the areas they will impact, thus the individuals who would make decisions on these zone changes or possible overdevelopment would not really have a concern on the impact on the neighborhoods. This wrecks of " eminent domain " to me, and would severely impact property owners, too. I urge a resounding " NO " vote on these aforementioned proposed bills. Thank you for taking the time to ready this.
