

Please see attached PDF in opposition to the subject bills.

My position is “NO” to SB 1068 and related bills for State control over local zoning, state mandated affordable housing location and requirements, and additional statewide property taxes. Again, my position:

“NO to Senate Bill 1068”

“NO to State-Mandated Zoning: HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027

Respectfully,
