SB-168

AN ACT ESTABLISHING A RIGHT TO HOUSING.

## ***OFA Fiscal Note***

***State Impact:*** None

***Municipal Impact:*** None

## ***Explanation***

The bill makes it a state goal to implement policies that will respect, protect, and fulfill a "right to housing," as defined by the bill, which does not result in a fiscal impact. The bill does not mandate or require the state to spend additional funds on programs or services related to the components of this "right" as enumerated.

The bill also establishes a seventeen-member right to housing committee to review existing and proposed housing policies and to report on it annually, which has no fiscal impact.
