AN ACT CONCERNING THE CONNECTICUT CLEAN AIR ACT.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

That the general statutes be amended to (1) increase the amount available for CHEAPR electric vehicle rebates, increase the cap on vehicle prices eligible for the electric vehicle rebate, increase the low-income electric vehicle rebate, and expand electric vehicle rebate eligibility to business fleets and electric bicycles, (2) authorize fifteen million dollars in general obligation bonds for towns to update traffic signals capable of responding to traffic flows, and (3) increase funding to the Department of Energy and Environment Protection to increase municipal resilience grants.
Statement of Purpose:
To reduce carbon emissions by expanding public and private utilization of electric vehicles in Connecticut to protect human health and the environment.
