difference between the amount of property taxes levied by the
municipality and any district located within the municipality on motor
vehicles for the assessment year commencing October 1, 2017, and the
amount such levy would have been if the mill rate on motor vehicles for
said assessment year was equal to the mill rate imposed by such
municipality and any district located within the municipality on real
property and personal property other than motor vehicles.

[(2) Not later than fifteen calendar days after receiving a property tax
grant pursuant to this section, the municipality shall disburse to any
district located within the municipality the amount of any such property

for such year was equal to the mill rate imposed on real property and
personal property other than motor vehicles for such year; and

(B) Districts that imposed mill rates that, when combined with the
mill rate of the municipality in which the district is located, were greater
than 29 mills on real property and personal property other than motor
vehicles for the preceding fiscal year, in an amount equal to the
difference between (i) the amount of property taxes the district would
have levied on motor vehicles for the preceding fiscal year if the mill
rate imposed on motor vehicles for such year, when combined with the
mill rate imposed on motor vehicles for such year by the municipality
in which the district is located, was 29 mills, and (ii) the amount of

year, when combined with the mill rate imposed on motor vehicles for
such year by the municipality in which the district is located, was equal
to the mill rate imposed by the district on real property and personal
property other than motor vehicles for such year.

(2) If the Auditors of Public Accounts decide to delay reporting such matter in accordance with subdivision (1) of this subsection, the auditors shall immediately notify the Attorney General of such decision. (3) Any Auditor of Public Accounts neglecting to make the report required under subdivision (1) of this subsection, or any agent of the auditors neglecting to report to the Auditors of Public Accounts any such matter discovered by such agent or coming to such agent's knowledge, shall be fined not more than one hundred dollars or imprisoned not more than six months, or both.

(f) All reports issued or made pursuant to this section shall be retained in the offices of the Auditors of Public Accounts for a period of not less than five years. The auditors shall file one copy of each such report with the State Librarian.

Notwithstanding any provision of the general statutes, no state agency may deny the auditors access to their records or accounts.

(h) Where there are statutory requirements of confidentiality with regard to such records and accounts or examinations of nongovernmental entities which are maintained by a state agency, such requirements of confidentiality and the penalties for the violation thereof shall apply to the auditors and to their authorized representatives in the same manner and to the same extent as such requirements of confidentiality and penalties apply to such state agency.
