## **OFA Fiscal Note**

### **No Fiscal Impact**

The amendment, which requires that at least 60% of children enrolled in certain child care settings are members of families with income levels at or below 75% of the state median income, has no fiscal impact as this does not impact state subsidies or town-based child care providers.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose.
