HB-5400

AN ACT CONCERNING THE REGULATION OF INSURANCE IN
THE STATE.

AMENDMENT

LCO No.: 6379

File Copy No.: 302

House Calendar No.: 232

OFA Fiscal Note

No Fiscal Impact

The amendment strikes the underlying bill and its associated fiscal impact, resulting in the fiscal impact described below.

Section 1 modifies statutes related to step therapy overrides in ways that are not anticipated to result in a fiscal impact to the state or municipalities.

Section 2 establishes a task force to study data collection efforts regarding step therapy, which has no fiscal impact because PA 17-236 prohibits transportation allowances for task force members.

Sections 3-5 apply the prohibition of copay accumulator programs to high deductible plans to the extent allowed by federal law, which does not have a state or municipal impact.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
