Explanation

The amendment strikes the underlying bill and its associated fiscal impact resulting in the following impact.

The amendment allows the creation of collaborative drug therapy management policies and agreements between prescribing practitioners and pharmacists resulting in a cost to the Department of Consumer Protection (DCP) and the Office of the State Comptroller beginning in FY 24. DCP will have to hire one drug control agent for a total cost² of \$135,564 in FY 24 to review the collaborative drug therapy agreements

¹The fringe benefit costs for most state employees are budgeted centrally in accounts administered by the Comptroller. The estimated active employee fringe benefit cost associated with most personnel changes is 40.53% of payroll in FY 23.

² Total cost includes salary, other expenses, and fringe benefits.
