OFA Fiscal Note

Eliminates Cost In Bill

The amendment strikes the underlying bill as amended and its associated fiscal impact, resulting in the fiscal impact below.

The amendment modifies statutes related to step therapy overrides in ways that are not anticipated to result in a fiscal impact to the state or municipalities.

The amendment also establishes a task force to study data collection efforts regarding step therapy, which has no fiscal impact because PA 17-236 prohibits transportation allowances for task force members.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
