**"AN ACT CONCERNING ENERGY STORAGE SYSTEMS AND
ELECTRIC DISTRIBUTION SYSTEM RELIABILITY."**

1 After the last section, add the following and renumber sections and
2 internal references accordingly:

3 "Sec. 501. (NEW) (*Effective from passage*) (a) In the demand response
4 programs administered by an electric distribution company that has a
5 service area of eighteen or more cities and towns and by an electric
6 distribution company that has a service area of not more than seventeen
7 cities and towns, the companies shall define and use "battery" to mean
8 any "energy storage system," as defined in section 16-1 of the general
9 statutes.

10 (b) Any energy storage system that is located in the state or in the
11 territory of the regional independent system operator shall be
12 authorized to participate as a shared clean energy facility in the shared
13 clean energy facility program solicitation process authorized pursuant
14 to subparagraph (C) of subdivision (2) of subsection (a) of section 16-
15 244z of the general statutes, even if the energy storage system is not a

16 "shared clean energy facility" as defined in section 16-244x of the general
17 statutes."

This act shall take effect as follows and shall amend the following sections:
