## **OFA Fiscal Note**

### **State Impact:**

Agency Affected	Fund-Effect	FY 24 \$	FY 25 \$
Judicial Dept. (Probation)	GF - Potential Cost	See Below	See Below
Resources of the General Fund	GF - Potential Revenue Gain	See Below	See Below

Note: GF=General Fund

**Municipal Impact:** None

### **Explanation**

The bill creates a new Class D misdemeanor charge for not operating an automated kiosk for consumer electronics in a manner consistent with the requirements in the bill which results in a potential cost to the Judicial Department and a potential revenue gain from fines. On average, the marginal cost to the state for supervision in the community is less than \$800<sup>1</sup> each year.

### **The Out Years**

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation.

<sup>1</sup> Probation marginal cost is based on services provided by private providers and only includes costs that increase with each additional participant. This does not include a cost for additional supervision by a probation officer unless a new offense is anticipated to result in enough additional offenders to require additional probation officers
