[Representative Tami Zawistowski, 61<sup>st</sup> District, Connecticut General Assembly:](#)

Veterans have already sacrificed greatly for our country, and I believe that removing the fees that our state charges for these plates would be a great step in our ongoing mission to acknowledge their dedication and service. We should take this opportunity to display our gratitude to all those who have served in our armed forces by removing these fees and displaying that we remember and appreciate all that our veterans have done for our country.
