

General Assembly

January Session, 2023

Proposed Bill No. 5069

LCO No. 402

Referred to Committee on ENVIRONMENT

Introduced by:
REP. MICHEL, 146th Dist.

**AN ACT REQUIRING GREEN ROOF TECHNIQUES FOR CERTAIN
NEW CONSTRUCTION.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That the general statutes be amended to require the use of green roof
- 2 techniques for fifty per cent or more of the surface area of any new
- 3 construction that is greater than a particular established size.
- 4 Additionally, to permit the use of such techniques in conjunction with
- 5 solar panel installations to meet such requirement.

Statement of Purpose:

To reduce impermeable surface area runoff on new construction and provide for enhanced stormwater management.
