AN ACT CONCERNING THE REGULATION OF LIVESTOCK AND
CERTAIN RABBIT PROCESSING FACILITIES.

AMENDMENT

LCO No.: 9498

File Copy No.: 274

House Calendar No.: 183

OFA Fiscal Note

No Fiscal Impact

The amendment allows, rather than requires, beginning July 1, 2023, annual inspection of kennels by municipal animal control officers (ACOs). This is not expected to have a fiscal impact, as municipalities employ ACOs who could have performed annual inspections within their normal duties.

The amendment additionally eliminates the section that requires DoAg to inspect rabbit processing facilities, which had no fiscal impact in the underlying bill's fiscal note.

The amendment makes other minor, technical, and conforming changes that have no fiscal impact.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
