**Section 501** makes changes to members serving on a zoning commission or zoning board of appeals that do not result in a fiscal impact.

**Section 502** exempts certain licensed attorneys and land use enforcement officers from an existing requirement to complete training and extends the time period for additional training from every other year to every four years for all other members of municipal commissions related to planning and zoning. This results in a potential savings to municipalities beginning in FY 24 as less training will be required.
