SB-1103

AN ACT CONCERNING ARTIFICIAL INTELLIGENCE,
AUTOMATED DECISION-MAKING AND PERSONAL DATA
PRIVACY.

AMENDMENT

LCO No.: 7502

File Copy No.: 228

Senate Calendar No.: 151

OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 24 \$	FY 25 \$
Judicial Dept.	GF - Potential Cost	See Below	See Below
Policy & Mgmt., Off.	GF - Cost	100,000	See Below
Department of Administrative Services	GF - Potential Cost	See Below	See Below

Note: GF=General Fund

Municipal Impact: None

Explanation

The amendment strikes the underlying bill and its associated fiscal impact.

Section 1, which requires the Department of Administrative Services (DAS) to inventory and assess all systems used by the state that use artificial intelligence, is anticipated to have no cost to DAS in FY 24 and FY 25 due to a lack of systems using artificial intelligence. The cost may grow in the future to the extent the state begins to purchase or develop systems that leverage artificial intelligence.

Section 2 requires the Office of Policy and Management (OPM) to

()

develop policies and procedures related to artificial intelligence by February 1, 2024. This results in a one-time cost of \$100,000 in FY 24 to OPM for consultants.

Section 3, which requires the Judicial Department to inventory and assess all systems used by the Judicial Department that use artificial intelligence, is anticipated to have no cost to the department in FY 24 and FY 25 due to a lack of systems using artificial intelligence. The cost may grow in the future to the extent the department begins to purchase or develop systems that leverage artificial intelligence.

Section 4, which requires contracts to include a provision that businesses comply with certain requirements, has no cost to the state.

Section 5 creates an artificial intelligence working group resulting in no fiscal impact to the state because the working group has the expertise to meet the requirements of the amendment.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
