OFA Fiscal Note

No Fiscal Impact

The amendment strikes the underlying bill and its associated fiscal impact, resulting in the impact described below.

It requires the Department of Energy and Environmental Protection (DEEP) to conduct a study on the need to expand the state's environmental justice (EJ) law to provide for the ability to deny certain applications for affecting facilities based on potential environmental and public health stressors from such facilities. DEEP is required to report to the legislature by January 1, 2024.

This has no fiscal impact since DEEP has expertise for this purpose.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
