AN ACT CONCERNING YOUTH CAMPS.

As Amended by Senate "A" (LCO 3997)

Senate Calendar No.: 112

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

The bill, which results in no fiscal impact, makes various changes affecting the regulation of youth camps, including:

- 1) establishes a timeline for youth camp inspections and re-inspections when a corrective action plan has been approved;
- 2) establishes a priority order the Office of Early Childhood (OEC) must follow when inspecting youth camps, giving priority to initial licensure applicants and single-week youth camps;
- 3) establishes a Youth Camp Safety Advisory Council;
- 4) authorizes the Office of Early Childhood to take disciplinary action (e.g., license refusal, suspension, or revocation) against a youth camp licensee if the operator or employee held a youth camp license in another state that was revoked.

The bill makes technical, conforming, and other changes that have no fiscal impact.

Senate "A" strikes the language in the underlying bill and the associated impact and results in the impact described above.
