The amendment strikes the language of the underlying bill and its associated fiscal impact, replacing it with language anticipated to result in the following fiscal impacts described below. Other provisions of the amendment do not result in a fiscal impact to the state or municipalities.

**Section 2** establishes the Early Childhood Care and Education Fund Advisory Commission within the Office of Legislative Management (OLM) resulting in a potential cost to OLM. This section allows Commission members to seek travel expense reimbursements or stipends resulting in a potential minimal cost to OLM to the extent these are approved and issued by the agency.

**Section 3** results in a cost to the Office of Early Childhood (OEC) beginning in FY 25 to establish the Tri-Share Pilot Matching Program serving New London County.
