## ***OFA Fiscal Note***

### ***Potential Minimal Revenue Gain***

The amendment strikes the language of the underlying bill and its associated fiscal impact. **Section 32** authorizes the Department of Public Health to impose a civil penalty of up to \$25,000 against a health care institution for noncompliance with statutory or regulatory requirements starting 7/1/24, which results in a potential minimal revenue gain to the resources of the General Fund. Other provisions of the bill are not anticipated to result in a fiscal impact to the state or municipalities.
