Explanation

The amendment strikes the language of the underlying bill and its associated fiscal impact, replacing it with language that, among other provisions, requires the Department of Public Health (DPH) provide certain printed educational information to birthing hospitals and birth centers in the state not later than 1/1/25, resulting in a one-time cost in FY 25 of approximately \$60,000 for printing.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose.
