AN ACT CONCERNING DAM SAFETY. AMENDMENT

LCO No.: 3930

File Copy No.: 155

Senate Calendar No.: 120

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

The amendment excludes dams that are hazardous only to the property or life of the dam owner from the scope of the Department of Energy and Environmental Protection's (DEEP's) role in overseeing dam safety. This results in no fiscal impact as the exclusion is not expected to change the level of DEEP resources devoted to dam safety.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
