409 connection with any such order of restitution, apply to the
410 commissioner for an order directing payment out of the New Home
411 Construction Guaranty Fund of the amount not exceeding [thirty] fifty
412 thousand dollars unpaid upon the order of restitution. The
413 commissioner may issue such order upon a determination that the
414 consumer has not been paid.

415 (2) Beginning on the effective date of this section, whenever a
416 consumer is awarded an order of restitution against any new home
417 construction contractor or proprietor for loss or damages sustained as a
418 result of any violation of the provisions of sections 20-417a to 20-417j,
419 inclusive, as amended by this act, by a person holding a certificate or
420 who has held a certificate under said sections within two years of the
421 date such contractor entered into the contract with the consumer, in (A)
422 a proceeding brought by the commissioner pursuant to subsection (i) of
423 this section or subsection (d) of section 42-110d, (B) a proceeding
424 brought by the Attorney General pursuant to subsection (a) of section
425 42-110m or subsection (d) of section 42-110d, or (C) a criminal
426 proceeding pursuant to section 20-417e, such consumer may, upon the
427 final determination of, or expiration of time for taking, an appeal in
428 connection with any such order of restitution, apply to the
429 commissioner for an order directing payment out of the New Home
430 Construction Guaranty Fund of the amount not exceeding fifty
431 thousand dollars unpaid upon the order of restitution. The
432 commissioner may issue such order upon a determination that the
433 consumer has not been paid.

434 (g) Whenever the commissioner orders payment to a consumer out
435 of the New Home Construction Guaranty Fund based upon a decision,
436 judgment, order or decree of restitution, the contractor and proprietor
437 shall be liable for the resulting debt to the New Home Construction
438 Guaranty Fund.

439 [(g)] (h) Before the commissioner may issue any order directing

440 payment out of the New Home Construction Guaranty Fund to a
441 consumer pursuant to subsection (e) or (f) of this section, the
442 commissioner shall first notify the new home construction contractor of
443 the consumer's application for an order directing payment out of the
444 fund and of the new home construction contractor's right to a hearing
445 to contest the disbursement in the event that such contractor or
446 proprietor has already paid the consumer. Such notice shall be given to
447 the new home construction contractor not later than fifteen days after
448 receipt by the commissioner of the consumer's application for an order
449 directing payment out of the fund. If the new home construction
450 contractor requests a hearing, in writing, by certified mail not later than
451 fifteen days after receiving the notice from the commissioner, the
452 commissioner shall grant such request and shall conduct a hearing in
453 accordance with the provisions of chapter 54. If the commissioner does
454 not receive a written request for a hearing by certified mail from the new
455 home construction contractor on or before the fifteenth day from the
456 contractor's receipt of such notice, the commissioner shall conclude that
457 the consumer has not been paid, and the commissioner shall issue an
458 order directing payment out of the fund for the amount not exceeding
459 [thirty] fifty thousand dollars unpaid upon the judgment, order or
460 decree for actual damages and costs taxed by the court against the new
461 home construction contractor or proprietor, exclusive of punitive
462 damages, or for the amount not exceeding [thirty] fifty thousand dollars
463 unpaid upon the order of restitution.

464 [(h)] (i) The commissioner or the commissioner's designee may
465 proceed against any new home construction contractor holding a
466 certificate or who has held a certificate under sections 20-417a to 20-417j,
467 inclusive, as amended by this act, within two years of the effective date
468 of entering into the contract with the consumer, for an order of
469 restitution arising from loss or damages sustained by any consumer as
470 a result of any violation of the provisions of said sections 20-417a to 20-
471 417j, inclusive, by the contractor or proprietor. Any such proceeding
472 shall be held in accordance with the provisions of chapter 54. In the
473 course of such proceeding, the commissioner or the commissioner's

474 designee shall decide whether to (1) exercise the powers specified in
475 section 20-417c, (2) order restitution arising from loss or damages
476 sustained by any consumer as a result of any violation of the provisions
477 of sections 20-417a to 20-417j, inclusive, as amended by this act, and (3)
478 order payment out of the New Home Construction Guaranty Fund.
479 Notwithstanding the provisions of chapter 54, the decision of the
480 commissioner or the commissioner's designee shall be final with respect
481 to any proceeding to order payment out of the fund and the
482 commissioner and the commissioner's designee shall not be subject to
483 the requirements of chapter 54 as such requirements relate to an appeal
484 from any such decision. The commissioner or the commissioner's
485 designee may hear complaints of all consumers submitting claims
486 against a single new home construction contractor in one proceeding.

487 [(i)] (j) No application for an order directing payment out of the New
488 Home Construction Guaranty Fund shall be made later than two years
489 from the final determination of, or expiration of time for, an appeal in
490 connection with any judgment, order or decree of restitution, and no
491 such application shall be for an amount in excess of [thirty] fifty
492 thousand dollars.

493 [(j)] (k) In order to preserve the integrity of the New Home
494 Construction Guaranty Fund, the commissioner, in the commissioner's
495 sole discretion, may order payment out of the fund of an amount less
496 than the actual loss or damages incurred by the consumer or less than
497 the order of restitution awarded by the commissioner or the Superior
498 Court. In no event shall any payment out of the fund be in excess of
499 [thirty] fifty thousand dollars for any single claim by a consumer.

500 [(k)] (l) If the money deposited in the New Home Construction
501 Guaranty Fund is insufficient to satisfy any duly authorized claim or
502 portion of a claim, the commissioner shall, when sufficient money has
503 been deposited in the fund, satisfy such unpaid claims or portions of
504 claims not exceeding [thirty] fifty thousand dollars, in the order that
505 such claims or portions of claims were originally determined.

506 [(l)] (m) Whenever the commissioner has caused any sum to be paid
507 from the New Home Construction Guaranty Fund to a consumer, the
508 commissioner shall be subrogated to all of the rights of the consumer up
509 to the amount paid plus reasonable interest, and prior to receipt of any
510 payment from the fund, the consumer shall assign all of the consumer's
511 right, title and interest in the claim up to such amount to the
512 commissioner, and any amount and interest recovered by the
513 commissioner on the claim shall be deposited in the fund.

514 [(m)] (n) If the commissioner orders the payment of any amount as a
515 result of a guaranty fund claim against a new home construction
516 contractor or proprietor, the commissioner shall determine if such
517 contractor is possessed of assets liable to be sold or applied in
518 satisfaction of the claim on the New Home Construction Guaranty
519 Fund. If the commissioner discovers any such assets, the commissioner
520 may request that the Attorney General take any action necessary for the
521 reimbursement of the fund.

522 [(n)] (o) If the commissioner orders the payment of an amount as a
523 result of a guaranty fund claim against a new home construction
524 contractor, the commissioner may, after notice and hearing in
525 accordance with the provisions of chapter 54, revoke the certificate of
526 such contractor and such contractor shall not be eligible to receive a new
527 or renewed certificate until such contractor has repaid such amount in
528 full, plus interest from the time such payment is made from the New
529 Home Construction Guaranty Fund, at a rate to be in accordance with
530 section 37-3b, except that the commissioner may, in the commissioner's
531 sole discretion, permit a new home construction contractor to receive a
532 new or renewed certificate after such contractor has entered into an
533 agreement with the commissioner whereby such contractor agrees to
534 repay the fund in full in the form of periodic payments over a set period
535 of time. Any such agreement shall include a provision providing for the
536 summary suspension of any and all certificates held by the new home
537 construction contractor if payment is not made in accordance with the
538 terms of the agreement."
