425 insurance arrangements covering small employers and insurers and  
426 producers marketing such plans and arrangements shall be subject to  
427 the following provisions:

428 (1) (A) Any such plan or arrangement shall be offered on a  
429 guaranteed issue basis with respect to all eligible employees or  
430 dependents of such employees, at the option of the small employer,  
431 policyholder or contractholder, as the case may be.

432 (B) Any such plan or arrangement shall be renewable with respect to  
433 all eligible employees or dependents at the option of the small employer,  
434 policyholder or contractholder, as the case may be, except: (i) For  
435 nonpayment of the required premiums by the small employer,  
436 policyholder or contractholder; (ii) for fraud or misrepresentation of the  
437 small employer, policyholder or contractholder or, with respect to  
438 coverage of individual insured, the insureds or their representatives;  
439 (iii) for noncompliance with plan or arrangement provisions; (iv) when  
440 the number of insureds covered under the plan or arrangement is less  
441 than the number of insureds or percentage of insureds required by  
442 participation requirements under the plan or arrangement; or (v) when  
443 the small employer, policyholder or contractholder is no longer actively  
444 engaged in the business in which it was engaged on the effective date of  
445 the plan or arrangement.

446 (C) Renewability of coverage may be effected by either continuing in  
447 effect a plan or arrangement covering a small employer or by  
448 substituting upon renewal for the prior plan or arrangement the plan or  
449 arrangement then offered by the carrier that most closely corresponds  
450 to the prior plan or arrangement and is available to other small

451 employers. Such substitution shall only be made under conditions  
452 approved by the commissioner. A carrier may substitute a plan or  
453 arrangement as set forth in this subparagraph only if the carrier effects  
454 the same substitution upon renewal for all small employers previously  
455 covered under the particular plan or arrangement, unless otherwise  
456 approved by the commissioner. The substitute plan or arrangement  
457 shall be subject to the rating restrictions specified in this section on the  
458 same basis as if no substitution had occurred, except for an adjustment  
459 based on coverage differences.

460 (D) Any such plan or arrangement shall provide special enrollment  
461 periods (i) to all eligible employees or dependents as set forth in 45 CFR  
462 147.104, as amended from time to time, and (ii) for coverage under such  
463 plan or arrangement ordered by a court for a spouse or minor child of  
464 an eligible employee where request for enrollment is made not later than  
465 thirty days after the issuance of such court order.

466 (2) (A) As used in this subdivision, "grandfathered plan" has the same  
467 meaning as "grandfathered health plan" as provided in the Patient  
468 Protection and Affordable Care Act, P.L. 111-148, as amended from time  
469 to time.

470 (B) With respect to grandfathered plans issued to small employers,  
471 except as a member of an association of small employers, the premium  
472 rates charged or offered shall be established on the basis of a single pool  
473 of all grandfathered plans, adjusted to reflect one or more of the  
474 following classifications:

475 (i) Age, provided age brackets of less than five years shall not be  
476 utilized;

477 (ii) Gender;

478 (iii) Geographic area, provided an area smaller than a county shall  
479 not be utilized;

480 (iv) Industry, provided the rate factor associated with any industry

481 classification shall not vary from the arithmetic average of the highest  
482 and lowest rate factors associated with all industry classifications by  
483 greater than fifteen per cent of such average, and provided further, the  
484 rate factors associated with any industry shall not be increased by more  
485 than five per cent per year;

486 (v) Group size, provided the highest rate factor associated with group  
487 size shall not vary from the lowest rate factor associated with group size  
488 by a ratio of greater than 1.25 to 1.0;

489 (vi) Administrative cost savings resulting from the administration of  
490 an association group plan or a plan written pursuant to section 5-259,  
491 provided the savings reflect a reduction to the small employer carrier's  
492 overall retention that is measurable and specifically realized on items  
493 such as marketing, billing or claims paying functions taken on directly  
494 by the plan administrator or association, except that such savings may  
495 not reflect a reduction realized on commissions;

496 (vii) Savings resulting from a reduction in the profit of a carrier that  
497 writes small business plans or arrangements for an association group  
498 plan or a plan written pursuant to section 5-259, provided any loss in  
499 overall revenue due to a reduction in profit is not shifted to other small  
500 employers; and

501 (viii) Family composition, provided the small employer carrier shall  
502 utilize only one or more of the following billing classifications: (I)  
503 Employee; (II) employee plus family; (III) employee and spouse; (IV)  
504 employee and child; (V) employee plus one dependent; and (VI)  
505 employee plus two or more dependents.

506 (C) (i) With respect to nongrandfathered plans issued to small  
507 employers, except as a member of an association of small employers, the  
508 premium rates charged or offered shall be established on the basis of a  
509 single pool of all nongrandfathered plans, adjusted to reflect one or  
510 more of the following classifications:

511 (I) Age, in accordance with a uniform age rating curve established by

512 the commissioner; or

513 (II) Geographic area, as defined by the commissioner.

514 (ii) Total premium rates for family coverage for nongrandfathered  
515 plans shall be determined by adding the premiums for each individual  
516 family member, except that with respect to family members under  
517 twenty-one years of age, the premiums for only the three oldest covered  
518 children shall be taken into account in determining the total premium  
519 rate for such family.

520 (iii) Premium rates for employees and dependents for  
521 nongrandfathered plans shall be calculated for each covered individual  
522 and premium rates for the small employer group shall be calculated by  
523 totaling the premiums attributable to each covered individual.

524 (iv) Premium rates for any given plan may vary by (I) actuarially  
525 justified differences in plan design, and (II) actuarially justified amounts  
526 to reflect the policy's provider network and administrative expense  
527 differences that can be reasonably allocated to such policy.

528 (3) No small employer carrier or producer shall, directly or indirectly,  
529 engage in the following activities:

530 (A) Encouraging or directing small employers to refrain from filing  
531 an application for coverage with the small employer carrier because of  
532 the health status, claims experience, industry, occupation or geographic  
533 location of the small employer, except the provisions of this  
534 subparagraph shall not apply to information provided by a small  
535 employer carrier or producer to a small employer regarding the carrier's  
536 established geographic service area or a restricted network provision of  
537 a small employer carrier; or

538 (B) Encouraging or directing small employers to seek coverage from  
539 another carrier because of the health status, claims experience, industry,  
540 occupation or geographic location of the small employer.

541 (4) No small employer carrier shall, directly or indirectly, enter into

542 any contract, agreement or arrangement with a producer that provides  
543 for or results in the compensation paid to a producer for the sale of a  
544 health benefit plan to be varied because of the health status, claims  
545 experience, industry, occupation or geographic area of the small  
546 employer. A small employer carrier shall provide reasonable  
547 compensation, as provided under the plan of operation of the program,  
548 to a producer, if any, for the sale of a health care plan. No small  
549 employer carrier shall terminate, fail to renew or limit its contract or  
550 agreement of representation with a producer for any reason related to  
551 the health status, claims experience, occupation, or geographic location  
552 of the small employers placed by the producer with the small employer  
553 carrier.

554 (5) No small employer carrier or producer shall induce or otherwise  
555 encourage a small employer to separate or otherwise exclude an  
556 employee from health coverage or benefits provided in connection with  
557 the employee's employment.

558 (6) No small employer carrier or producer shall disclose (A) to a small  
559 employer the fact that any or all of the eligible employees of such small  
560 employer have been or will be reinsured with the pool, or (B) to any  
561 eligible employee or dependent the fact that he has been or will be  
562 reinsured with the pool.

563 (7) If a small employer carrier enters into a contract, agreement or  
564 other arrangement with another party to provide administrative,  
565 marketing or other services related to the offering of health benefit plans  
566 to small employers in this state, the other party shall be subject to the  
567 provisions of this section.

568 (8) The commissioner may adopt regulations, in accordance with the  
569 provisions of chapter 54, setting forth additional standards to provide  
570 for the fair marketing and broad availability of health benefit plans to  
571 small employers.

572 (9) Any violation of subdivisions (3) to (7), inclusive, of this section  
573 and of any regulations established under subdivision (8) of this section

574 shall be an unfair and prohibited practice under sections 38a-815 to 38a-  
575 830, inclusive.

576 Sec. 5. Subsection (a) of section 38a-9 of the general statutes is  
577 repealed and the following is substituted in lieu thereof (*Effective October*  
578 *1, 2024*):

579 (a) Notwithstanding the provisions of section 4-8, there shall be a  
580 Division of Consumer Affairs within the Insurance Department, which  
581 division shall act on the Insurance Commissioner's behalf and at his  
582 direction in order to carry out his responsibilities under this title with  
583 respect to such matters. The division shall receive and review  
584 complaints from residents of this state concerning their insurance  
585 problems and problems arising out of multiple employer welfare  
586 arrangement health benefit plans, as defined in section 2 of this act,  
587 including claims disputes, and serve as a mediator in such disputes in  
588 order to assist the commissioner in determining whether statutory  
589 requirements and contractual obligations within the commissioner's  
590 jurisdiction have been fulfilled. There shall be a director of said division,  
591 who shall be provided with sufficient staff. The division shall serve to  
592 coordinate all appropriate facilities in the department in addressing  
593 such complaints, and conduct any outreach programs deemed  
594 necessary to properly inform and educate the public on insurance  
595 matters. The director shall submit quarterly reports to the  
596 commissioner, which shall state the number of complaints received by  
597 the division in such calendar quarter, the Connecticut premium or  
598 premium equivalent volume of the appropriate line of each insurance  
599 company or multiple employer welfare arrangement trust, as defined in  
600 section 2 of this act, against which a complaint has been filed, the types  
601 of complaints received, and the number of such complaints which have  
602 been resolved. Such reports shall be published every six months and  
603 copies shall be made available to any interested resident of this state  
604 upon request. The commissioner shall report, in accordance with section  
605 11-4a, to the joint standing committee of the General Assembly having  
606 cognizance of matters relating to insurance on or before January  
607 fifteenth annually, concerning the findings of such reports and

608 suggestions for legislative initiatives to address recurring problems.

609 Sec. 6. Section 38a-14 of the general statutes is repealed and the  
610 following is substituted in lieu thereof (*Effective October 1, 2024*):

611 (a) For the purposes of this section, "company" means any insurance  
612 company, multiple employer welfare arrangement trust, as defined in  
613 section 2 of this act, or health care center doing business in this state, any  
614 corporation or association collecting data utilized by any such insurance  
615 company in the underwriting of insurance policies and any corporation  
616 organized under any law of this state or having an office in this state,  
617 which corporation is engaged in, or claiming or advertising that it is  
618 engaged in, organizing or receiving subscriptions for or disposing of  
619 stock of, or in any manner aiding or taking part in the formation or  
620 business of, an insurance company or companies, or that is holding the  
621 capital stock of one or more insurance corporations for the purpose of  
622 controlling the management thereof, as voting trustees or otherwise.

623 (b) The commissioner shall, as often as the commissioner deems it  
624 expedient, examine into the affairs of any company. In scheduling and  
625 determining the nature, scope and frequency of the examinations, the  
626 commissioner shall consider such matters as the results of financial  
627 statement analyses and ratios, changes in management or ownership,  
628 actuarial opinions, reports of independent certified public accountants  
629 and such other criteria as set forth in the examiners' handbook adopted  
630 by the National Association of Insurance Commissioners and in effect  
631 at the time the commissioner exercises discretion under this section.

632 (c) (1) To carry out examinations under this section, the commissioner  
633 may appoint one or more competent persons as examiners, who shall  
634 not be officers of, connected with or interested in any company, other  
635 than as policyholders. The commissioner may engage the services of  
636 attorneys, appraisers, independent actuaries, independent certified  
637 public accountants or other professionals and specialists as examiners  
638 to assist the commissioner in conducting the examinations under this  
639 section, the cost of which shall be borne by the company that is the

640 subject of the examination.

641 (2) In conducting the examination, the commissioner, the  
642 commissioner's actuary or any examiner authorized by the  
643 commissioner may examine, under oath, the officers and agents of such  
644 a company, and all persons deemed to have material information  
645 regarding the company's property or business. Each such company or  
646 its officers and agents shall produce the books and papers in its or their  
647 possession, relating to its business or affairs, and any other person may  
648 be required to produce any book or paper in such person's custody that  
649 is deemed to be relevant to such examination, for inspection by the  
650 commissioner, the commissioner's actuary or examiners. The officers  
651 and agents of the company shall facilitate the examination and aid the  
652 examiners in making the same so far as it is in their power to do so. The  
653 refusal of any company, by its officers, directors, employees or agents,  
654 to submit to examination or to comply with any reasonable written  
655 request of the examiners shall be grounds for suspension of, refusal of  
656 or nonrenewal of any license or authority held by the company to  
657 engage in an insurance or other business subject to the commissioner's  
658 jurisdiction. Any such proceedings for suspension, revocation or refusal  
659 of any license or authority shall be conducted pursuant to subsection (c)  
660 of section 38a-41.

661 (3) In conducting the examination, the examiner shall observe those  
662 guidelines and procedures set forth in the examiners' handbook  
663 adopted by the National Association of Insurance Commissioners. The  
664 commissioner may also adopt such other guidelines or procedures as  
665 the commissioner may deem appropriate.

666 (d) In lieu of an examination under this section of any foreign or alien  
667 insurer licensed in this state, the commissioner may accept an  
668 examination report on such insurer prepared by the insurance  
669 department for the insurer's state of domicile or port-of-entry state if (1)  
670 such state's insurance department was, at the time of the examination,  
671 accredited under the National Association of Insurance Commissioners'  
672 financial regulation standards and accreditation program, or (2) the

673 examination is performed under the supervision of an accredited  
674 insurance department or with the participation of one or more  
675 examiners who are employed by such an accredited state insurance  
676 department and who, after a review of the examination workpapers and  
677 report, state under oath that the examination was performed in a  
678 manner consistent with the standards and procedures required by their  
679 insurance department.

680 (e) (1) Nothing contained in this section shall be construed to limit the  
681 commissioner's authority to terminate or suspend any examination in  
682 order to pursue legal or regulatory action pursuant to the insurance  
683 laws of this state. Findings of fact and conclusions made pursuant to any  
684 examination shall be prima facie evidence in any legal or regulatory  
685 action.

686 (2) Nothing contained in this section shall be construed to limit the  
687 commissioner's authority in such legal or regulatory action to use and,  
688 if appropriate, to make public any final or preliminary examination  
689 report, any examiner or company workpapers or other documents, or  
690 any other information discovered or developed during the course of any  
691 examination.

692 (3) Not later than sixty days following completion of the examination,  
693 the examiner in charge shall file, under oath, with the Insurance  
694 Department a verified written report of examination. Upon receipt of  
695 the verified report, the Insurance Department shall transmit the report  
696 to the company examined, together with a notice that shall afford the  
697 company examined a reasonable opportunity, not to exceed thirty days,  
698 to make a written submission or rebuttal with respect to any matters  
699 contained in the examination report. Not later than thirty days after the  
700 period allowed for the receipt of written submissions or rebuttals, the  
701 commissioner shall fully consider and review the report, together with  
702 any written submissions or rebuttals and any relevant portions of the  
703 examiner's workpapers and enter an order: (A) Adopting the  
704 examination report as filed or with modification or corrections. If the  
705 examination report reveals that the company is operating in violation of

706 any law, regulation or prior order of the commissioner, the  
707 commissioner may order the company to take any action the  
708 commissioner considers necessary and appropriate to cure such  
709 violation; (B) rejecting the examination report with directions to the  
710 examiners to reopen the examination for purposes of obtaining  
711 additional data, documentation or information, and refile pursuant to  
712 this subdivision; or (C) calling for an investigatory hearing with not less  
713 than twenty days' notice to the company for purposes of obtaining  
714 additional documentation, data, information and testimony.

715 (4) (A) The commissioner shall transmit the examination report  
716 adopted pursuant to subparagraph (A) of subdivision (3) of this  
717 subsection or a summary thereof to the company examined, together  
718 with any recommendations or written statements from the  
719 commissioner or the examiner. The secretary of the board of directors or  
720 similar governing body of the company shall provide a copy of the  
721 report or summary to each director and shall certify to the  
722 commissioner, in writing, that a copy of the report or summary has been  
723 provided to each director.

724 (B) Not later than one hundred twenty days after receiving the report  
725 or summary, the chief executive officer or the chief financial officer of  
726 the company examined shall present the report or summary to the  
727 company's board of directors or similar governing body at a regular or  
728 special meeting.

729 (f) (1) All orders entered pursuant to subdivision (3) of subsection (e)  
730 of this section shall be accompanied by findings and conclusions  
731 resulting from the commissioner's consideration and review of the  
732 examination report, relevant examiner workpapers and any written  
733 submissions or rebuttals. The findings and conclusions that form the  
734 basis of any such order of the commissioner shall be subject to review as  
735 provided in section 38a-19.

736 (2) Any investigatory hearing conducted under subparagraph (C) of  
737 subdivision (3) of subsection (e) of this section by the commissioner or

738 the commissioner's authorized representative, shall be conducted as a  
739 nonadversarial confidential investigatory proceeding as necessary for  
740 the resolution of any inconsistencies, discrepancies or disputed issues  
741 apparent (A) upon the filed examination report, (B) raised by or as a  
742 result of the commissioner's review of relevant workpapers, or (C) by  
743 the written submission or rebuttal of the company. Not later than  
744 twenty days after the conclusion of any such hearing, the commissioner  
745 shall enter an order pursuant to subparagraph (A) of subdivision (3) of  
746 subsection (e) of this section. The commissioner shall not appoint an  
747 examiner as an authorized representative to conduct the hearing. The  
748 hearing shall proceed expeditiously with discovery by the company  
749 limited to the examiner's workpapers that tend to substantiate any  
750 assertions set forth in any written submission or rebuttal. The  
751 commissioner or the commissioner's authorized representative may  
752 issue subpoenas for the attendance of any witnesses or the production  
753 of any documents deemed relevant to the investigation, whether under  
754 the control of the department, the company or other persons. The  
755 documents produced shall be included in the record and testimony  
756 taken by the commissioner or the commissioner's authorized  
757 representative shall be under oath and preserved for the record.  
758 Nothing contained in this section shall require the department to  
759 disclose any information or records that would indicate or show the  
760 existence or content of any investigation or activity of a criminal justice  
761 agency. The hearing shall proceed with the commissioner or the  
762 commissioner's authorized representative posing questions to the  
763 persons subpoenaed. Thereafter, the company and the Insurance  
764 Department may present testimony relevant to the investigation. Cross-  
765 examination shall be conducted only by the commissioner or the  
766 commissioner's authorized representative. The company and the  
767 Insurance Department shall be permitted to make closing statements  
768 and may be represented by counsel of their choice.

769 (g) The commissioner may, if the commissioner deems it in the public  
770 interest, publish any such report, or the result of any such examination  
771 contained therein, in one or more newspapers of the state.

772 (h) The commissioner shall, at least once in every five years, visit and  
773 examine the affairs of each domestic insurer, domestic health care  
774 center, domestic fraternal benefit society, multiple employer welfare  
775 arrangement trust, as defined in section 2 of this act and foreign and  
776 alien insurer doing business in this state. Notwithstanding subdivision  
777 (1) of subsection (c) of this section, no domestic insurer or such other  
778 domestic entity subject to examination under this section shall pay as  
779 costs associated with the examination the salaries, fringe benefits or  
780 travel and maintenance expenses of examining personnel of the  
781 Insurance Department engaged in such examination if such domestic  
782 insurer or domestic entity is otherwise liable to assessment levied under  
783 section 38a-47, except that a domestic insurer or such other domestic  
784 entity shall pay the travel and maintenance expenses of examining  
785 personnel of the Insurance Department when such insurer or entity is  
786 examined outside the state.

787 (i) Nothing contained in this section shall prevent or be construed as  
788 prohibiting the commissioner from disclosing the content of an  
789 examination report, preliminary examination report or results, or any  
790 matter relating thereto, to the Insurance Department of this or any other  
791 state or country, or to law enforcement officials of this or any other state  
792 or to any agency of the federal government at any time, so long as such  
793 agency or office receiving the report or matters relating thereto agrees,  
794 in writing, to hold such report and matters relating thereto confidential.

795 (j) All workpapers, recorded information, documents and copies  
796 thereof produced by, obtained by or disclosed to the commissioner or  
797 any other person in the course of an examination made under this  
798 section shall be confidential, shall not be subject to subpoena and shall  
799 not be made public by the commissioner or any other person, except to  
800 the extent provided in subsection (i) of this section. The commissioner  
801 may grant access to such workpapers, recorded information, documents  
802 and copies thereof to the National Association of Insurance  
803 Commissioners, provided said association agrees, in writing, to hold  
804 such workpapers, recorded information, documents and copies thereof  
805 confidential.

806 (k) (1) The commissioner may from time to time engage, on an  
807 individual basis, the services of qualified actuaries, certified public  
808 accountants or other similar individuals who are independently  
809 practicing their professions, even though said persons may from time to  
810 time be similarly employed or retained by persons subject to  
811 examination under this section.

812 (2) No cause of action shall arise nor shall any liability be imposed  
813 against the commissioner, the commissioner's authorized  
814 representatives or any examiner appointed by the commissioner for any  
815 statements made or conduct performed in good faith while carrying out  
816 the provisions of this section.

817 (3) No cause of action shall arise, nor shall any liability be imposed  
818 against any person for the act of communicating or delivering  
819 information or data to the commissioner or the commissioner's  
820 authorized representative examiner pursuant to an examination made  
821 under this section, if such act of communication or delivery was  
822 performed in good faith and without fraudulent intent or the intent to  
823 deceive.

824 (4) This section shall not abrogate or modify in any way any common  
825 law or statutory privilege or immunity heretofore enjoyed by any  
826 person identified in subdivision (2) of this subsection.

827 (5) A person identified in subdivision (2) of this subsection shall be  
828 entitled to an award of attorney's fees and costs if such person is the  
829 prevailing party in a civil action for libel, slander or any other relevant  
830 tort arising out of activities in carrying out the provisions of this section  
831 and the party bringing the action was not substantially justified in doing  
832 so. For purposes of this section, a proceeding is "substantially justified"  
833 if it had a reasonable basis in law or fact at the time that it was initiated.

834 Sec. 7. Section 38a-15 of the general statutes is repealed and the  
835 following is substituted in lieu thereof (*Effective October 1, 2024*):

836 (a) The commissioner shall, as often as the commissioner deems it

837 expedient, undertake a market conduct examination of the affairs of any  
838 insurance company, health care center, multiple employer welfare  
839 arrangement trust, as defined in section 2 of this act, third-party
