Said board shall also waive for any such member the payment of any extension fees under section 10a-26, as amended by this act, for educational extension programs, (6) for any dependent child of a (A) police officer, as defined in section 7-294a, or supernumerary or auxiliary police officer, (B) firefighter, as defined in section 7-323j, or member of a volunteer fire company, (C) municipal employee, or (D) state employee, as defined in section 5-154, killed in the line of duty, (7) for any resident of the state who is a dependent child or surviving spouse of a specified terrorist victim who was a resident of this state, (8) for any dependent child of a resident of the state who was killed in a multivehicle crash at or near the intersection of Routes 44 and 10 and Nod Road in Avon on July 29, 2005, and (9) for any resident of the state who is a dependent child or surviving spouse of a person who was killed in action while performing active military duty with the armed forces of the United States on or after September 11, 2001, and who was a resident of this state. If any person who receives a tuition waiver in accordance with the provisions of this subsection also receives educational reimbursement from an employer, such waiver shall be reduced by the amount of such educational reimbursement. Veterans and members of the National Guard described in subdivision (5) of this subsection shall be given the same status as students not receiving tuition waivers in registering for courses at regional community-technical colleges. Notwithstanding the provisions of section 10a-30, as used in this subsection, "domiciled in this state" includes domicile for less than one year.

(e) (1) If any veteran described in subsection (d) of this section has applied for federal educational assistance under the Post-9/11 Veterans Educational Assistance Act of 2008, the board of trustees shall waive the payment of tuition and extension fees at any of the regional community-technical colleges for such veteran in accordance with subdivision (2) of this subsection. If any such veteran certifies to said board that such veteran's application for such federal educational assistance has been denied or withdrawn, said board of trustees shall waive the payment of tuition and extension fees in accordance with subsection (d) of this section.

(2) (A) For purposes of this subdivision, "veteran tuition benefit" means the portion of federal educational assistance under the Post-9/11 Veterans Educational Assistance Act of 2008 to be paid to a regional community-technical college on behalf of a veteran that represents payment for tuition and extension fees. Said board may also set aside from its anticipated tuition revenue an additional amount equal to one

per cent of **[**said**]** such tuition revenue for financial assistance for students who would not otherwise be eligible for financial assistance but who do have a financial need as determined by the college in accordance with this subsection. In determining such financial need, the college shall exclude the value of equity in the principal residence of the student's parents or legal guardians, or in the student's principal residence if the student is not considered to be a dependent of his parents or legal guardians and shall assess the earnings of a dependent student at the rate of thirty per cent.

(g) The Regional Community-Technical Colleges Operating Fund shall be reimbursed for the amount by which the tuition and extension fee waivers granted under subsection (d) of this section exceed five per cent of tuition and extension fee revenue through an annual state appropriation. The board of trustees shall request such an appropriation and **[**said**]** such appropriation shall be based upon an estimate of tuition and extension fee revenue loss using tuition and extension fee rates in effect for the fiscal year in which such appropriation will apply.
