29 certification shall be made and submitted, and approved or
30 disapproved, in accordance with the provisions of subparagraph (B) of
31 this subdivision. Such written certification shall provide (I) the name,
32 street address and relevant contact information associated with such
33 location, [(ii) list the name and address of each election official who

58 of this subdivision.

59 (2) The legislative body of the municipality may apply to the
60 Secretary of the State not later than seventy-four days before election

84 election official and train each such official to be a same-day election
85 registration election official.

86 (B) Whenever the registrars of voters of a municipality appoint,
87 pursuant to subparagraph (A) of this subdivision, one of the registrars
88 of such municipality as moderator to serve at a location designated for

92 agreement as to such appointment, and (ii) a written plan detailing
93 alternative coverage of the duties normally carried out by the registrar
94 so appointed to ensure that such registrar abstains, on each day in which
95 such registrar serves as moderator, from any such duties that conflict
96 with those of the moderator.

97 (C) Not later than the fourteenth day preceding the commencement
98 of the period of early voting prior to election day, the registrars of voters
99 shall provide to the Secretary of the State a written report setting forth
100 the name, address and, if available, cellular mobile telephone number of
101 the moderator appointed to serve at each location designated for the
102 completion and processing of same-day election registrations pursuant
103 to this subdivision. Such written report shall be included as part of the

119 election, as provided in subsection (f) of this section. If the information
120 that the applicant is required to provide under section 9-20 and this
121 section does not include proof of the applicant's residential address, the
122 applicant shall also submit identification that shows the applicant's
123 bona fide residence address, including, but not limited to, a learner's
124 permit issued under section 14-36 or a utility bill that has the applicant's
125 name and current address and that has a due date that is not later than
126 thirty days after the election or, in the case of a student enrolled at an
127 institution of higher education, a registration or fee statement from such
128 institution that has the applicant's name and current address.

130 application requirements set forth in subsection (d) of this section, the
131 registrars of voters shall check the state-wide centralized voter
132 registration system before admitting such applicant as an elector.

134 already an elector, the registrars of voters shall admit the applicant as
135 an elector and the privileges of an elector shall attach immediately.

139 provisions of section 9-21, the registrars of voters of the municipality in
140 which such elector now seeks to register shall immediately notify the
141 registrars of voters in such other municipality that such elector is

142 changing the municipality in which the applicant is an elector. The
143 registrars of voters in such other municipality shall notify the election
144 officials in such municipality to remove such elector from the official
145 voter list of such municipality. Such election officials shall cross through
146 the elector's name on such official voter list and mark "off" next to such
147 elector's name on such official voter list.

148 (A) If it is reported that such applicant already voted in such other
149 municipality, the registrars of voters of such other municipality shall
150 immediately notify the registrars of voters of the municipality in which
151 such elector now seeks to register. In such event, such elector shall not
152 receive a same-day election registration ballot from the registrars of
153 voters of the municipality in which such elector now seeks to register.
154 For any such elector, the same-day election registration process shall
155 cease in the municipality in which such elector now seeks to register and
156 such matter shall be reviewed by the registrars of voters in the
157 municipality in which such elector now seeks to register. After
158 completion of such review, if a resolution of the matter cannot be made,
159 such matter shall be reported to the State Elections Enforcement
160 Commission which shall conduct an investigation of the matter.

162 other municipality, the registrars of voters of the municipality in which

166 shall provide the elector with a same-day election registration ballot and
167 same-day election registration envelope and shall make a record of such
168 issuance. The elector shall complete an affirmation imprinted upon the
169 back of the same-day election registration envelope and shall declare
170 under oath that the applicant has not previously voted in the election.
171 The affirmation shall be in the form substantially as follows and signed
172 by the voter:

182 address to the registrars of voters and hereby request cancellation of

192 election registration ballot is marked. The elector shall place the same-
193 day election registration ballot in the same-day election registration
194 ballot envelope provided, and deposit such envelope in a secured same-
195 day election registration ballot depository receptacle. At the conclusion
196 of each day during the early voting period, the registrars of voters shall
197 transport such receptacle containing such day's same-day election
198 registration ballots to the municipal clerk, who shall retain and securely
199 store such ballots in as near a manner as possible to that for the retention
200 and secure storage of absentee ballots, as provided in subsection (h) of
201 this section, except that, if such manner is not practicable, such same-
202 day election registration ballots shall be retained and securely stored as

203 provided in an alternate plan submitted by the registrars of voters to the
204 Secretary of the State and approved by the Secretary. On election day,
205 the previously retained and securely stored same-day election
206 registration ballots shall be delivered to the registrars of voters and, at
207 the time designated by the registrars of voters and noticed to election
208 officials, the registrars of voters shall transport such receptacle

210 election day to the central location or polling place, pursuant to
211 subsection (b) of section 9-147a, where absentee ballots are counted and
212 such same-day election registration ballots shall be counted by the
213 election officials present at such central location or polling place. A
214 section of the head moderator's return shall show the number of same-
215 day election registration ballots received from electors. The registrars of
216 voters shall seal a copy of the vote tally for same-day election
217 registration ballots in a depository envelope with the same-day election
218 registration ballots and store such same-day election registration
219 depository envelope with the other election results materials. The same-
220 day election registration depository envelope shall be preserved by the
221 registrars of voters for the period of time required to preserve counted
222 ballots for elections.
