

## DATA SHARING WORK GROUP

July 2016  
Upon Passage of Legislation

Establish a JJPOC data workgroup to develop a plan for a data integration process that includes. Membership of the working group shall include persons with expertise in data development and research design and include, but not be limited to:

- Commissioners of Children and Families, Correction, Education and Mental Health and Addiction Services, or their designees
- Chief State's Attorney or designee
- Chief Public Defender or designee
- Secretary of the Office of Policy and Management, or designee
- Chief Court Administrator of the Judicial Branch or designee

Raise the Age report completed (Harvard)

Oversee implementation of RBA

The plan shall include cost options and provisions to:

- Access relevant data on juvenile justice populations
- Coordinate the handling of data and research requests
- Link the data maintained by executive branch agencies and the Judicial Department for the purposes of facilitating the sharing and analysis of data
- Establish provisions for protecting confidential information and enforcing state and federal confidentiality protections and ensure compliance with related state and federal laws and regulations
- Develop specific recommendations for the committee on the use of limited releases of client specific data sharing across systems, including with the Office of Policy and Management, the Division of Criminal Justice, the Departments of Children and Families, Education and Mental Health and Addiction Services, the Judicial Department and other agencies
- Develop a standard template for memoranda of understanding for data-sharing between executive branch agencies, the Judicial Department, and when necessary, researchers outside of state government
