CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
211	DEP	Air Emissions: Individual New Source Review Permit	This permit program regulates emissions released to the air from new and modified stationary sources.
212	DEP	Air Emissions: Open Burning Permit	This permit allows municipalities to burn in a landfill clean brush less than 3 inches in diameter. Open burning for fire training exercises is also regulated under this program.
213	DEP	Air Emissions: Title IV Acid Rain Permit	This program regulates those companies in the business of producing power for sale. A permit is required and specific standards must be met.
214	DEP	Air Emissions: Title V Permit	The Title V permit: is a facility-wide permit; brings all applicable air pollution control requirements together in one document; requires record keeping and monitoring to assure compliance with all applicable requirements.
215	DEP	Air Pollution Control: Permit for the Construction of Indirect Air Sources of Air Pollution	Required for construction of highway projects which will become part of the state highway system to ensure the projects meet all applicable state and federal air ambient quality standards.
216	DEP	Aquifer Protection: Permit to Add a Regulated Activity to a Registered Facility	Allows a registered facility located in an aquifer protection area to apply for a permit to add (or change to) a new regulated activity.
217	DEP	Aquifer Protection: Registration for Regulated Activities	Existing facilities located in an aquifer protection area, using significant quantities of hazardous materials are required to register their use to continue to operate at that site, including changing or expanding operations on the site.
218	DEP	Arborist License	Covers any arboriculture work to improve the condition of fruit, shade or ornamental trees by feeding, fertilizing, pruning, trimming, bracing, treating cavities, etc. Spraying or other application of pesticides to improve tree conditions is also covered.
219	DEP	Boating: Boat Dealer - Certificate of Number	This certificate is needed by any boat dealer who, in the course of business, operates recreational boats not currently registered.
220	DEP	Boating: Certificate of Personal Watercraft Operation	Certificate required to operate any recreational vessel including a personal watercraft (Jet Ski type vessel) on Connecticut's waters. For more information refer to the boating section of DEP's Website.
221	DEP	Boating: Marine Event Permit	Permit to have a marine parade, regatta, race, tournament, derby, exhibition, or fireworks fallout area over water.
222	DEP	Boating: Regulatory/Navigation Marker Permit	Permit to mark a swim area, speed zone, danger area, navigation channel or to post information using markers (buoys or beacons).
223	DEP	Boating: Safe Boating Certificate	Certificate required to operate any recreational vessel except a personal watercraft (Jet Ski type vessel) on Connecticut's waters. (Operation of a personal watercraft requires a Certificate of Personal Watercraft Operation.)
224	DEP	Boating: Water Ski Slalom Course and Jump Permit	Permit to place markers (buoys or beacons) to set up a water ski slalom course or jump. For more information refer to the boating section of DEP's Website.
225	DEP	Camping: State Parks and Forests per day	Reserved campsite. Call toll-free 1-877-668-CAMP or visit www.reserveamerica.com
226	DEP	Coastal, Tidal or Navigable Waters: Certificate of Permission	This permit program regulates certain minor activities involving dredging, erection of structures, or fill in any tidal, coastal or navigable waters of the state in accordance with CGS Sections 22a-361 through 22a-363c.
227	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for 4/40 Docks	For the construction of small residential docks which do not extend further waterward than the distance to a depth of -4 feet mean low water or a distance of 40 feet from mean high water, whichever is shortest.
228	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Buoys or Markers	For the installation, removal, or replacement of any buoy, ski jump, course marker, or any other in-water object which has already been approved by DEP's Boating Division.

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
229	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Coastal Remedial Activities Required by Order	For remedial work waterward of the high tide line or in tidal wetlands which has been required by order of the Commissioner of DEP.
230	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Harbor Moorings	For the installation, removal, and replacement of individual noncommercial moorings with a mooring permit or other approval from a state-appointed harbormaster. Moorings eligible include mooring buoys, pilings, "clothesline" systems and small floats.
231	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Non-Harbor Moorings	For the installation, removal, and replacement of individual noncommercial moorings which are located in areas not within the jurisdiction of a harbormaster. Moorings eligible include mooring buoys, pilings, "clothesline" systems and small mooring floats.
232	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Osprey Platforms and Perch Poles	For the placement of osprey platforms and perch poles in tidal, coastal or navigable waters or in tidal wetlands.
233	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Pump-Out Facilities	For installation, upgrade or repair of sewage pump-out equipment located on existing authorized docks or piers.
234	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Residential Flood Hazard Mitigation	For the elevation and floodproofing of existing houses to FEMA standards, where the houses are within state permit jurisdiction but outside the state-owned public trust area, provided all local approvals have been obtained.
235	DEP	Coastal, Tidal or Navigable Waters: General Permit Registration for Swim Floats	For installation, removal, or replacement of seasonal floats used for swimming.
236	DEP	Coastal, Tidal or Navigable Waters: Individual Permit for Structures, Dredging & Fill, Tidal Wetlands	This permit program regulates activities involving dredging, erection of structures, or fill in any tidal, coastal or navigable waters of the state through the Tidal Wetlands and Structures, Dredging & Fill programs.
237	DEP	Dams: Certificate of Dam Registration	This program requires that any constructed dam be registered with DEP.
238	DEP	Dams: Dam Construction Permit	This permit program regulates the construction, alteration, repair or removal of dams, dikes, reservoirs and similar structures which, by breaking away or otherwise, may endanger life or property.
239	DEP	Dams: Dam Safety Inspection Program	Dams are assigned to one of five classes according to its hazard potential, i.e. the potential, if it were to fail, to damage land, roads or structures, or cause economic loss or loss of life.
240	DEP	Dams: General Permit Registration for Dam Safety - Repair and Alteration	This general permit authorizes, subject to certain conditions: installation of riprap erosion protection; installation or restoration of embankment fill; and repair or alteration of structural components of a dam.
241	DEP	Environmental Professional, Licensed (LEP)	CGS Section 22a-133v established the Licensed Environmental Professional Program with the intent of facilitating the remediation of contaminated sites in CT.
242	DEP	Fisheries - Commercial/Recreational	Fisheries - Commercial/Recreational
243	DEP	Fisheries permit for Tournament/Derby	Conduct a tournament or fishing derby in inland or marine waters
244	DEP	Fisheries permit, commercial/recreational: Importation and/or liberation of fish or fish eggs	Permit allowing for the importation or liberation of fish or fish eggs.
245	DEP	Fisheries permit, commercial/recreational: Importation and/or liberation of Grass carp	Importation, possession and liberation of triploid grass carp in inspected/ approved ponds.
246	DEP	Fisheries permit, commercial: Environmental Tourism Cruise Vessel	Permit authorizes vessel to be used for temporary collection of marine fish and crustaceans for educational purposes. All animals must be returned to the water prior to completion of the daily tour.
247	DEP	Fisheries permit, commercial: Importation of Live Fish for Bait	Importation of live fish or live fish eggs from out-of-state and/or liberation of live fish or live eggs in CT waters.

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
248	DEP	Fisheries permit, commercial: Party or Charter Fishing Vessel Registration	Permit to operate a vessel with one or more crew members for a fee for the purpose of transporting and providing a fishing platform for sport fishermen in the marine district.
249	DEP	Fisheries permit, recreational: Registration of private waters	Permit for owner of private water who wants to take fish from that water.
250	DEP	Fishing - Commercial	Fishing - Commercial
251	DEP	Fishing - Recreational	Fishing - Recreational
252	DEP	Fishing license, commercial: Bait Dealer	License to possess bait species for the purpose of sale, to sell or to offer bait species for sale.
253	DEP	Fishing license, commercial: Blue Crab	License to take blue crabs for commercial purposes by scoop or dip net, hand line or manually operated and personally attended devices.
254	DEP	Fishing license, commercial: Finfish Other Than Shad And Bait Species, With Angler Creel Limits	License to use hook, gill nets, seines, traps, fish pots, cast nets, fykes, scoop nets, eel pots or similar devices to take finfish (except shad & bait species) for commercial purposes. Angler catches may NOT exceed sport fishery creel limits.
255	DEP	Fishing license, commercial: Finfish Other Than Shad And Bait Species, Without Angler Creel Limits	License to use hook, gill nets, seines, traps, fish pots, cast nets, fykes, scoop nets, eel pots or similar devices to take finfish (except shad & bait species) for commercial purposes. Angler catches may exceed sport fishery creel limits.
256	DEP	Fishing license, commercial: Horseshoe Crab Hand Harvest	License to take horseshoe crabs by hand.
257	DEP	Fishing license, commercial: Inland Bait	License to take bait species commercially in the inland district by the use of seines, traps, dip nets, scoop nets, weirs or similar devices. The use of gill nets or trawl nets is prohibited.
258	DEP	Fishing license, commercial: Landing	License to land finfish, lobsters, squid, crabs and sea scallops for sale, barter, exchange, consignment or transportation to any point of sale. Fishing in Connecticut waters is prohibited.
259	DEP	Fishing license, commercial: Lobster Pot Only	License to take lobsters and crabs other than blue crabs from lobster pots.
260	DEP	Fishing license, commercial: Lobster Pot, Trawl Net and Scallop Dredge	License to take and/or land lobsters, crabs other than blue crabs, scallops, squid and finfish commercially by lobster pots, by trawling, or by sea scallop dredge.
261	DEP	Fishing license, commercial: Marine Bait	License to take bait species commercially in the marine district by the use of seines, traps, dip nets, scoop nets, weirs or similar devices. The use of gill nets or trawl nets is prohibited.
262	DEP	Fishing license, commercial: Marine Pound Net Registration	Register a pound net to take finfish, but not striped bass, sturgeon, salmon, trout or charr, and not lobsters or blue crabs. Registrant does not have to be present during fishing operations
263	DEP	Fishing license, commercial: Seafood Dealer	License to buy finfish, lobsters, crabs, blue crabs, sea scallops, squid or bait from a commercial fisherman for resale.
264	DEP	Fishing license, commercial: Shad	License to take shad for commercial purposes by the use of gill net, seine, dip or scoop net in the main body of the CT River south of the Putnam Bridge in Glastonbury/Wethersfield or in the marine district.
265	DEP	Fishing license, inland, recreational, Non-resident	A license for a non-resident to fish inland waters in Connecticut.
266	DEP	Fishing license, inland, recreational, Resident	A license for a resident of Connecticut to fish inland waters Connecticut.
267	DEP	Fishing license, recreational: Personal Use Gill Net	License to take menhaden ("bunker") for personal use (not for sale), from marine waters only by the use of a single gillnet not more than 60 feet in length.
268	DEP	Fishing license, recreational: Personal Use Lobster	License to take lobsters for personal use (not for sale) by the use of not more than 10 lobster pots or traps, by hand, by skin diving, or by SCUBA diving.
269	DEP	Fishing permit, commercial: Fishing Vessel	Permit to use a vessel for activities authorized under any commercial fishing license (e.g. use of commercial fishing gear type even if for personal use purposes).

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
270	DEP	Flood Management Certification	This program requires approval of a certification, or an exemption from such approval, for all state actions in or affecting floodplains or natural or man-made storm drainage facilities.
271	DEP	Forest Practitioner (Forestry and Logging)	Certification required to advertise, solicit, contract or engage in commercial forest practices in Connecticut. Three levels of certification: Forester Certification, Supervising Forest Products Harvester Certification and Forest Products Harvester Certification.
272	DEP	Hazardous Waste - Storage, Treatment, Transportation and Disposal	Hazardous Waste - Storage, Treatment, Transportation and Disposal
273	DEP	Hazardous Waste and/or CT Regulated Waste: Waste Facility Permit (CGS Section 22a-454)	This program regulates facilities engaged in the following activities: the collection, storage, treatment or disposal of waste oil, petroleum, chemical liquids, or hazardous wastes.
274	DEP	Hazardous Waste: Conditionally Exempt Small Quantity Hazardous Waste Generators (CESQG)	RCRA regulates hazardous waste from the point of generation through final disposal. Generators must comply with standards including registration, on-site management, reporting and recordkeeping.
275	DEP	Hazardous Waste: General Permit for the One Day Collection of Household Hazardous Waste and Hazardous Waste from Certain Generators	This general permit applies solely to the collection and aggregation of greater than ten (10) cubic yards of household hazardous waste and hazardous waste generated by a Conditionally Exempt Small Quantity Generator (CESQG).
276	DEP	Hazardous Waste: Large Quantity Hazardous Waste Generators (LQG) Registration	RCRA regulates hazardous waste from the point of generation through final disposal. Generators must comply with standards including registration, on-site management, reporting and recordkeeping.
277	DEP	Hazardous Waste: Permit for Facilities that Treat, Store, or Dispose of their Own RCRA Hazardous Waste	This permit program regulates facilities which manage, through treatment, storage or disposal, hazardous waste as identified pursuant to federal RCRA.
278	DEP	Hazardous Waste: Small Quantity Hazardous Waste Generators (SQG) Registration	RCRA regulates hazardous waste from the point of generation through final disposal. Generators must comply with standards including registration, on-site management, reporting and recordkeeping.
279	DEP	Hazardous Waste: Waste Transporter Permit	This program regulates activities related to the transportation of waste oil, petroleum and chemical liquids, hazardous waste, and biomedical waste.
280	DEP	Hunting and Trapping	Hunting and Trapping
281	DEP	Hunting license, recreational, Firearms	License to hunt using a firearm. Sportsmen's licenses are sold on-line and by Town Clerks and their agents, they are not sold directly by DEP.
282	DEP	Hunting license, recreational: Hunt with pack of dogs	License to hunt fox or rabbits with a pack of dogs.
283	DEP	Hunting or Fishing or Trapping License, recreational, (duplicate license)	Replacement for a lost license to hunt, fish, or trap.
284	DEP	Hunting Permit, Falconry	Permit to hunt game species with trained raptors.
285	DEP	Hunting permit, recreational: Deer, Private Land	Permit to hunt deer using a shotgun/rifle or muzzleloader on private land. Hunting with rifle restricted to 10 acres or more. Please consult Hunting and Trapping Field Guide for seasons and bag limits.
286	DEP	Hunting permit, recreational: Deer, State Land	Permit to hunt deer using a shotgun (lottery or no-lottery areas) or muzzleloader on state land. Please consult Hunting and Trapping Field Guide for seasons and bag limits and information on lottery and no-lottery areas.
287	DEP	Hunting permit, recreational: Disabled Person, Crossbow Hunting Deer/Turkey	Permit for a person who is physically disabled and cannot operate and hunt with conventional bow equipment.
288	DEP	Hunting permit, recreational: Private Shooting Preserve	Permit to establish private shooting preserve.

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
289	DEP	Hunting permit, recreational: Small Game & Deer Archery	Permit to hunt small game and deer using a bow & arrow.
290	DEP	Hunting permit, recreational: Turkey, Fall Season	Permit to hunt turkey on private or state land during the fall season. Please consult Hunting and Trapping Field Guide for seasons and bag limits.
291	DEP	Hunting permit, recreational: Turkey, Spring Season	Permit to hunt turkey on private or state land (lottery or no lottery areas) during the spring season. Please consult Hunting and Trapping Field Guide for seasons and bag limits.
292	DEP	Hunting, recreational: Pheasant Harvest Tags	Mandatory requirement when hunting pheasant on state regulated hunting areas. Please consult Hunting and Trapping Field Guide for more details. Pheasant tags only available at town clerk's offices and other licensing agents.
293	DEP	Hunting/fishing license, recreational: Firearms Hunting and/or Fishing Combination	
294	DEP	Inland Wetlands and Watercourses Permits	This program regulates any operation within, or use of a wetland or watercourse involving the removal or deposition of material, or any obstruction, construction, alteration or pollution of such wetlands or watercourses.
295	DEP	Land Use Permits - Aquifer Protection Area	Land Use Permits - Aquifer Protection Area
296	DEP	Land Use Permits - Coastal and Long Island Sound Programs (OLISP)	Coastal and Long Island Sound Programs
297	DEP	Land Use Permits - Inland Water Resources	Land Use Permits - Inland Water Resources
298	DEP	Land Use Permits - Property Transfer	Property Transfer Program
299	DEP	Parks: Bus Parking Permit (State Parks)	Parking for buses at state parks.
300	DEP	Parks: Charter Oak Senior Citizen Pass (State Parks)	Provides free access to state parks and forests where a parking fee applies.
301	DEP	Parks: Heritage Passport (State Parks)	Allows unlimited admittance to three historic parks (Dinosaur, Fort Trumbull and Gillette Castle State Parks) in the calendar year in which it was purchased.
302	DEP	Parks: Season Pass (State Parks)	Pass that allows unlimited access to and parking at all state parks, forests or other state recreation facility that has a parking fee. (Not valid for admission to Dinosaur or Fort Trumbull State Park Exhibit Centers, tours of Gillette Castle, camping or special events with charges.)
303	DEP	Parks: Special Use License	Temporary, non-traditional uses of state parks and forests, including non-recreational uses, commercial uses, and fund-raisers require "Special Use Licenses" in order to be permitted.
304	DEP	Pesticides: Aircraft Pesticide Applicator Certification	This program certifies the qualifications of aircraft pesticide applicators.
305	DEP	Pesticides: Commercial Pesticide Applicator Operator Certification	This program certifies the qualifications of commercial pesticide applicator operators.
306	DEP	Pesticides: Commercial Pesticide Applicator Supervisor Certification	This program certifies the qualifications of commercial pesticide applicator supervisors. Individuals can be certified in 14 different categories.
307	DEP	Pesticides: Permit for Pesticide Application by Aircraft	This permit program is administered by the Pesticide Management Division of the Bureau of Materials Management and Compliance Assurance. The permit is required when pesticides or fertilizers are proposed to be applied by aircraft.
308	DEP	Pesticides: Permit for the Use of Pesticides in State Waters	This permit program regulates the introduction of any chemical into the waters of the state (public and private) for control of aquatic organisms. These organisms are usually water weeds or algae, but could include mosquitoes or unwanted fish.
309	DEP	Pesticides: Pesticide Application Business Registration	This program certifies the qualifications of pesticide application businesses.
310	DEP	Pesticides: Pesticide Distributors Registration	This program certifies the qualifications of pesticide distributors.

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
311	DEP	Pesticides: Pesticide Private Applicator Certification	This program certifies the qualifications of private pesticide applicators.
312	DEP	Pesticides: Pesticide Product Registration	This program requires the registration of any pesticide product and a determination that the product meets all requirements.
313	DEP	Petroleum, Oil and Chemical Storage: Marine Terminal License	The Marine Terminals licensing program regulates oil, petroleum and chemical bulk storage facilities which receive product from or dispense it to ships or barges.
314	DEP	Petroleum, Oil and Chemical Storage: Underground Storage Tank Registration	This program regulates the underground storage of oil, petroleum and chemical liquids. Specific standards and criteria for underground storage tanks must be met and registration of nonresidential tanks is required.
315	DEP	Radiation: Ionizing Radiation Registration	Annual registration is required for any use of ionizing radiation, including gamma rays, x rays, alpha and beta particles, neutrons, protons, high-speed electrons and other atomic or nuclear particles.
316	DEP	Radiation: Registration of Therapeutic and Diagnostic Tubes (Medical X-rays)	This program requires registration of all devices emitting x-rays which are used for diagnostic or therapeutic purposes.
317	DEP	Recycling: General Permit for Disassembling Used Electronics	Authorizes the disassembly of used electronics such as computers and televisions. This general permit applies to companies that engage in the disassembly of used electronics and accumulate more than 5000 kilograms of universal waste onsite at any one time
318	DEP	Recycling: General Permit for the Addition of Grass Clippings at Registered Leaf Composting Facilities	This general permit applies to the addition of grass clippings at a leaf composting facility registered under RCSA Section 22a-208i(a)-1.
319	DEP	Recycling: General Permit Registration for Storage and Processing of Asphalt Roofing Shingle Waste (ARSW) and/or for the Storage and Distribution of Ground Asphalt Aggregate (GAA) for Beneficial Use	Authorizes 1) storage of asphalt roofing shingle waste (ARSW) only; 2) processing of ARSW including storage and distribution of ground asphalt aggregate (GAA) for beneficial use; or 3) only storage and distribution of GAA for beneficial use.
320	DEP	Recycling: General Permit Registration for Storage and Processing of Scrap Tires for Beneficial Use	This general permit authorizes the storage and processing of scrap tires for beneficial use.
321	DEP	Recycling: General Permit Registration for the Storage and Distribution of Two (2) Inch Nominal Tire Chip Aggregate for Beneficial Use in Leaching Systems of Subsurface Sewage Disposal Systems	This general permit authorizes the storage and distribution of two (2) inch nominal tire chip aggregate for beneficial use as an approved aggregate in leaching systems of subsurface sewage disposal systems.
322	DEP	Recycling: General Permit Registration to Construct and Operate Certain Recycling Facilities	For the construction and operation of the following recycling facilities: Satellite Drop-site; Drop-site Recycling; Recyclables Transfer; Limited Processing Recycling; Single Item Recycling.
323	DEP	Recycling: Leaf Composting Facility Registration	This program governs the registration, siting and operation of leaf composting facilities.
324	DEP	Scientific Collection Permit For Aquatic Species, Plants and Wildlife, and for Educational Mineral Collection	Scientific Collection Permit
325	DEP	Scientific Collection Permit: Collection of State Listed Endangered, Threatened, and Special Concern Vascular Plants	This permit allows for the collection of endangered, threatened and special concern vascular plants for very limited scientific and research purposes. Numerous restrictions apply.
326	DEP	Scientific Collection Permit: Educational Mineral Collection on DEP Controlled Property	Permit for the limited collection of minerals on 3 DEP controlled properties (Case Quarries, Clark Hill Quarries and CCC quarries) for educational and scientific purposes. Numerous restrictions apply.

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
327	DEP	Scientific Collection Permit: Fisheries Permit	Permit to collect fish, crustaceans, wildlife for scientific & educational purposes.
328	DEP	Scientific Collection Permit: Wildlife Permit	Permit to collect wildlife for scientific & educational purposes only.
329	DEP	Solid Waste Facility Operator Certification	This program certifies solid waste facility operators ensuring that operators meet the minimum experience, education/training requirements and pass the certification examination.
330	DEP	State Parks (Including Camping)	State Parks (Including Camping)
331	DEP	Trapping license, recreational	License to trap furbearing animals.
332	DEP	Waste and Materials Management - Recycling	Waste and Materials Management - Recycling
333	DEP	Waste Disposal: Disruption of a Solid Waste Disposal Area	Authorization is required to excavate, disrupt, or remove material at a waste disposal area including sites permitted by CT DEP, and farm dumps, and areas used for disposal of industrial waste, landclearing debris, construction and demolition wastes, etc.
334	DEP	Waste Disposal: General Permit Registration for Contaminated Soil and/or Sediment Management (Staging and Transfer)	This general permit authorizes the staging, transfer, and temporary storage of contaminated soil and/or sediment and is intended to address the management of these materials when they are generated during projects that are less than 2 years in duration.
335	DEP	Waste Disposal: Solid Waste Facility Permit	This permit program regulates a variety of activities related to solid waste disposal or waste processing activities.
336	DEP	Waste Disposal: Special Wastes or Asbestos Disposal Authorization	This program regulates the disposal of "Special Waste" and asbestos into landfills, composting operations and resource recovery facilities.
337	DEP	Water Discharge - Food Establishments	Water Discharge - Food Establishments
338	DEP	Water Discharge - Groundwater Remediation	Water Discharge - Groundwater Remediation
339	DEP	Water Discharge - Other	Water Discharge - Other
340	DEP	Water Discharge - Stormwater	Water Discharge - Stormwater
341	DEP	Water Discharges: Emergency or Temporary Discharge Authorization	Authorize emergency or temporary (up to 30 days) water discharges in order to prevent, abate or mitigate an imminent or significant threat to human health, the environment and protect the public interest.
342	DEP	Water Discharges: General Permit for Food Preparation Establishment Wastewater	Authorizes any wastewater discharge associated with food preparation establishments, as defined in the general permit, which discharge to a sanitary sewer line and then to a POTW or a privately owned or State owned sewage treatment works.
343	DEP	Water Discharges: General Permit for Nitrogen Discharges	79 POTW facilities, in aggregate, must reduce the annual loading of total nitrogen to Long Island Sound by approximately 64% by 2014 in order to achieve the final, established wasteload allocation.
344	DEP	Water Discharges: General Permit for the Discharge of Minor Boiler Blowdown Wastewaters	For wastewater discharges no greater than 5,000 gallons per day per boiler resulting from periodic or continuous bleed off or draining of bottom, bulk or surface water from a boiler.
345	DEP	Water Discharges: General Permit Registration for Miscellaneous Discharges of Sewer Compatible (MISC) Wastewater	Discharges must be either discharged directly to a POTW or hauled there, and may not exceed 50,000 gallons per day or 2% of the POTW's design flow, whichever is less.
346	DEP	Water Discharges: General Permit Registration for the Discharge of Domestic Sewage	For discharges of domestic sewage to a POTW which are greater than 50,000 gpd or 5% of the POTW design flow, and for discharges of domestic sewage from a community sewer system to a POTW.
347	DEP	Water Discharges: General Permit Registration for the Discharge of Food Processing Wastewater	For wastewaters generated by the manufacture and storage of food and beverage for human or animal consumption. Discharges may not exceed 50,000 gpd and must be either discharged directly to a POTW or hauled there.

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
348	DEP	Water Discharges: General Permit Registration for the Discharge of Groundwater Remediation Wastewater Directly to Surface Water	For discharges of groundwater remediation wastewater generated in connection with investigating pollution or remediating polluted groundwater or soil and discharged directly to surface water. Maximum daily flow limits apply.
349	DEP	Water Discharges: General Permit Registration for the Discharge of Groundwater Remediation Wastewater to a Sanitary Sewer	For discharges of groundwater remediation wastewater generated during the process of investigating and remediating groundwater and soil. Daily flow limits apply and must be discharged directly to a POTW or hauled there.
350	DEP	Water Discharges: General Permit Registration for the Discharge of Hydrostatic Pressure Testing Wastewater	For all discharges of waters used to test the structural integrity of new tanks and pipelines, and tanks and pipelines which have been used to hold or transfer drinking water, sewage or natural gas.
351	DEP	Water Discharges: General Permit Registration for the Discharge of Minor Non-Contact Cooling and Heat Pump Water	This general permit covers discharges of minor non-contact cooling and heat pump water to a surface water, groundwater, or a POTW. Restrictions of maximum daily flow and other operational requirements apply.
352	DEP	Water Discharges: General Permit Registration for the Discharge of Minor Photographic Processing Wastewaters	For all discharges of wastewater from photographic processing facilities discharging to a POTW through a silver recovery system with no flows greater than 5,000 gallons per day.
353	DEP	Water Discharges: General Permit Registration for the Discharge of Minor Printing and Publishing Wastewater	For all discharges of wastewater generated by letterpress, flexography, screen, and/or lithography printing. Wastewaters must be discharged to a POTW; maximum daily flow not to exceed 1,000 gallons per day.
354	DEP	Water Discharges: General Permit Registration for the Discharge of Minor Tumbling or Cleaning of Parts Wastewater	For all discharges of wastewaters to a POTW generated during the removal of particulate metal, surface texturing, or for cleaning, where no acid solutions with a pH of less than 4.5 or cyanides are used or present.
355	DEP	Water Discharges: General Permit Registration for the Discharge of Stormwater and Dewatering Wastewaters Associated with Construction Activities	For all discharges of stormwater and dewatering wastewaters from construction activities including clearing, grading and excavation which results in the disturbance of one or more total acres.
356	DEP	Water Discharges: General Permit Registration for the Discharge of Stormwater Associated with Commercial Activity	For all discharges from any conveyance which is used for collecting and conveying stormwater and which is directly related to retail, commercial, and office services whose facilities occupy 5 acres or more of impervious surface
357	DEP	Water Discharges: General Permit Registration for the Discharge of Stormwater Associated with Industrial Activity	For all discharges from any conveyance which is used for collecting and conveying stormwater and which is directly related to manufacturing, processing or material storage areas at an industrial activity.
358	DEP	Water Discharges: General Permit Registration for the Discharge of Stormwater from Small Municipal Separate Storm Sewer Systems	For discharges, directly to surface waters of the state, from regulated Small MS4s; conveyances for stormwater, including, but not limited to, roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, etc.
359	DEP	Water Discharges: General Permit Registration for the Discharge of Swimming Pool Wastewater - Contractor Registration	For discharges of swimming pool wastewater from public and private pools. Registration is required and permit conditions govern the type, location and chemical characteristics of the discharge.
360	DEP	Water Discharges: General Permit Registration for the Discharge of Swimming Pool Wastewater from a Private Residential Pool	For discharges of swimming pool wastewater from a private residential pool. No registration is required but permit conditions govern the type, location and chemical characteristics of the discharge.
361	DEP	Water Discharges: General Permit Registration for the Discharge of Swimming Pool Wastewater from a Public Pool	For discharges of swimming pool wastewater from a public pool. Registration is required and permit conditions govern the type, location and chemical characteristics of the discharge.
362	DEP	Water Discharges: General Permit Registration for the Discharge of Vehicle Maintenance Wastewater	For all discharges of wastewater generated by floor washdown and incidental drippage from vehicles as a result of routine vehicle servicing operations and/or washing of vehicle exteriors or steam cleaning of vehicle engines.

CT Permit/License Inventory
March 2010

	Department	Permit/ License Name	Purpose
363	DEP	Water Discharges: General Permit Registration for the Discharge of Water Treatment Wastewater	For all discharges of wastewater generated by the treatment of water supplies for potable or industrial process use. This general permit does not cover wastewaters generated by any residential or commercial point of entry treatment device.
364	DEP	Water Discharges: Individual Permit for a Ground Water Discharge	This permit program regulates discharges to ground water from any source, including but not limited to large septic systems, agricultural waste management systems, and all waste landfills.
365	DEP	Water Discharges: Individual Permit for a Surface Water Discharge (NPDES)	The Surface Water Discharge Permit program, also known as NPDES, regulates discharges into surface waters either directly or through municipal storm sewer drainage systems or through other drainage systems such as wetlands or swales.
366	DEP	Water Discharges: Individual Pre-treatment Permit (Sewer Permit) for Discharges to Publicly Owned Treatment Works	This permit program regulates discharges to a Publicly Owned Treatment Works (POTW) through municipal sanitary sewer or combined storm and sanitary sewer systems.
367	DEP	Water Diversion Permit	This program regulates activities which cause, allow or result in the withdrawal from or the alteration, modification or diminution of the instantaneous flow of the waters of the state.
368	DEP	Water Diversion: General Permit for Diversion of Remediation Groundwater	This general permit regulates any diversion of remediation groundwater greater than 50,000 gallons during any twenty-four hour period.
369	DEP	Water Diversion: General Permit for Diversion of Water for Consumptive Use: Authorization Required Categories	Eligible diversions include 1) Withdrawal of up to 250,000 gpd – Surface Water / Stratified Drift, 2) Withdrawal of up to 250,000 gpd – Bedrock Aquifer, and 3) Interconnection and Transfer of Up to 1,000,000 gpd.
